CUSTOMER SERVICE

If you disagree, tell us - we want to do something about it.
If you agree, please tell your friends.

We think that we make the very best reloading equipment in the world.

PRECISION ENGINEERED RELOADING EQUIPMENT

RCBS®
OPERATING INSTRUCTIONS

Unpack the case cleaner and take a few minutes to review these instructions and familiarize yourself with the various parts of the cleaner.

OPERATION

To operate the case cleaner, set the unit on a solid, level surface and securely close the lid. If the lid is not closed, the case cleaner will not function properly.

SAVE THESE INSTRUCTIONS

This product is designed for the use of ammunition. Be sure that all moving parts are shielded and all guards are in place before operating any equipment.

WARNINGs

- Wear proper eye protection.
- Keep hands and clothing away from moving parts.
- Keep children and visitors away from machine.
- May be involved in operations.
- Wear clothing that is not loose. Loose clothing can be drawn into machine.

GENERAL

- Follow all instructions carefully and become thoroughly familiar with the operation of the tool. Do not use while standing.
- Use the equipment as the manufacturer recommends.
- Keep complete records of receipts. Apply a descriptive label to each box.

RECORD KEEPING

Equipment parts are shielded and all guards are in place before operating any equipment.
